**Re: Preliminary Comments Regarding The Applications of AT&T, Inc. and
Deutsche Telekom AG for Consent to Assign or Transfer Control of Licenses
and Authorizations, WT Docket No. 11-65**

Dear Ms. Dortch:

Bursor & Fisher, P.A. represents a number of parties that intend to file substantive comments in this docket. Our comments, however, have been delayed by the frivolous objection of AT&T, Inc., Deutsche Telekom AG and T-Mobile USA, Inc. (collectively, "Applicants") to the Acknowledgments of Confidentiality filed on behalf of Scott A. Bursor, L. Timothy Fisher, Joseph I. Marchese and Sarah N. Westcot. Due to those frivolous objections, we have not yet been granted access to the NRUF/LNP information in this proceeding. Upon receipt of the NRUF/LNP information, we intend to supplement these preliminary comments.

Very truly yours,

Joseph I. Marchese
